

CAPPADOCIA TOUR (JUNE 27-28)

Participants will have an unforgettable experience in Cappadocia, renowned for its unique rock formations and historical heritage. The program includes a guided walk along the Kızılırmak River in Avanos, offering insights into the region's historical and cultural landscape, followed by a visit to the famous Swaying Bridge and a hands-on traditional pottery-making experience. The geological diversity of Cappadocia will be explored in Paşabağları and Devrent (Imagination) Valley, where distinctive fairy chimneys and rock formations can be observed. At sunrise, participants will witness the spectacular ascent of hot air balloons over Göreme, creating a truly memorable atmosphere. Iconic sites such as Üç Güzeller, Güvercinler Valley, and Uçhisar Castle will be visited, providing an opportunity to examine the region's natural and historical landmarks, while the underground cities will offer insights into the historical subterranean living spaces of ancient civilizations. Additionally, those interested may explore Cappadocia's rugged terrain through an optional ATV tour. This excursion, blending natural and cultural heritage, will allow participants to immerse themselves in the enchanting atmosphere of Cappadocia.
