

## ESKİŞEHİR TURU (22-23 JUNE)

Participants will have the opportunity to have a rich cultural experience in Eskişehir, which attracts attention with its deep-rooted history and contemporary buildings. A pleasant walk among the traditional Ottoman mansions in Odunpazarı and visits to unique museums such as the Wax Sculptures Museum and the Meerschaum Museum will be organised. Boat tours along the Porsuk River will offer unique views of the city, while fantastic buildings and science centres can be explored in the Sazova Science, Culture and Art Park. This tour offers a unique opportunity to experience Eskişehir's distinctive atmosphere, where history and nature converge.
